### Summary of reasons for decision:

'000210\_Carved'Carved' is an image of a three teenage girls in a playful embrace. The image bears a mildly sexual website name. The girls are wearing tops. Only the lower body of the central girl is visible and she is wearing underpants. The image has a casual rather than sexual tone and the website at the bottom of the image, while mildly provocative, is insufficient to cause the image to be reasonably capable of being regarded as sexual in nature. The image does not deal with any of the matters raised under s3(1) of the Films, Videos and Publications Classification Act 1993, nor does it deal with content under ss3A or 3B of that Act. The publication must therefore be classified as unrestricted. This classification is consistent with the right to freedom of expression as set out in s14 of the New Zealand Bill of Rights Act 1990.
